NOV - Open
DEC - Close-up - NATURE

Jerry's Ramblings ... Thoughts from the Club President

Thanks for bearing with us while we have some scheduling changes. Our next meeting will be July 12th.

It has been two months without Image Study. For me, Image Study is one of the most valuable parts of our club. Even though it is infrequently, I enjoy people shooting darts at my images and telling me what they like, or might have done differently.

This year we have also included some Photoshop education at Image Study. There are so many ways to do things in Photoshop it is always good to hear how someone else gets something done. I am looking forward to having a few more sessions this year that help people with Photoshop.

I hope you get a few shots of fireworks over the July 4th holiday. You can go on the field trip with Mike to Coney Island, where they have a balloon glow and then fireworks. Being on a field trip with others is how I learned most of my photographic skills. They are great times to ask questions of others. Mike is also working on a trip to the zoo. I hope you take advantage of the opportunities.

Get out and shoot!

Jerry Fritsch
