Descriptions

Friday, March 2; 7:30 pm

Photography Travel Series: Alaska by Air, Land and Sea- Cliff Goosmann

Leaving Vancouver by ship, we make our way up the Inside Passage with stops at several cities ending at Seward. Then travel by bus to Anchorage and vista train to Denali and on to Fairbanks. Sharon Woods/Sharon Centre

Friday, March 9; 7:30 pm

Photography Travel Series: Ancient Cultures of Peru- Dr. Albert J. Klee

Join us on a rare journey to explore the ancient civilizations of Peru, starting with Caral, then view the famous Nazca lines from the air, and proceed to pre-Incan Chachapoyas. We raft down the Urubamba to Machu Picchu, scale Huayna Picchu and walk part of the Inca Trail. Sharon Woods/Sharon Centre

Friday, March 16; 7:30 pm

Photography Travel Series: Kentucky, Land of the Arches-Robert Ruchhoft

Our tour of Natural Bridge State Park and Red River Gorge includes archeological, prehistoric and historical backgrounds of the area. In addition we'll see and discuss geological and botanical features and where they are found. Sharon Woods/Sharon Centre

Friday, March 23; 7:30 pm

Photography Travel Series: Trip to Cuba Today- Neal Jefferies

We will visit about half of the beautiful island Cuba, enjoying the friendly people and the wonderful music. We will also learn about a dark side where people are having to cope with the loss of many personal freedoms. Sharon Woods/Sharon Centre

Friday, March 30; 7:30 pm

Photography Travel Series: Backyard Safari-Mark Kraus

Nature photographers love to travel to exotic locations and photograph all the native species. Come along with Mark and Jerry as they takes us on a photographic journey to photograph wildlife and flowers right here in our own backyard. Sharon Woods/Sharon Centre

Friday, April 13; 7:30 pm

Photography Travel Series: Crossing the Continental Divide- Fr. Dale Peterka

There are nearly fifty different crossings for the Continental Divide, many with interesting history stories attached. Our tour takes us from Alberta to New Mexico. We travel by car, train, airplane and motorcycle! The story begins in 1882 and continues well beyond the turn of the century. Sharon Woods/Sharon Centre

Friday, April 20; 7:30 pm

Photography Travel Series: Sailing the Caribbean- Alan Lloyd

Come, experience life aboard a Tall Ship sailing vessel as we travel round the Treasure Islands of the Eastern Caribbean. We get an opportunity to visit and compare the different islands Sharon Woods/Sharon Centre

Friday, April 27; 7:30 pm

Photography Travel Series: Faces of Tibet and China- Neville Duffield

China is the 21st century giant; yet in the foothills of the Himalayas the ancient ways still exist. You will see no Great Walls or Terracotta Warriors, but you be entranced by the beautiful faces of the people in their traditional costumes as they work and at play. Sharon Woods/Sharon Centre
